1000 Kids To Fly Kites Tomorrow

HERE'S the POINT

By SPENCE HELD

Marines of the First Division, 5500 strong, were to arrive here from Korea today, and many Point Lomans undoubtedly trained their field glasses on the scene as fireboats squirted water and helicopters hovered overhead.

I've had a soft spot for the Marines ever since I first read about their fighting qualities during World War I.

In World War II they stormed many a bloody beach from Tarawa to Iwo Jima; they took terrific losses but moved forward steadily to victory.

* * *

I'll never forget the time I appointed byself a one-man welcoming committee for a veteran unit returning from campaigns in the Pacific. It was along about 1944, and arrivals and departures from the port of San Diego were strictly hush-hush.

That day I got off a bus in front of the Civic Center just as a long line of trucks loaded with Marines came up Pacific Highway. They had disembarked from transports in an atmosphere of cold secrecy, I figured, and nobody along Pacific Highway gave them a tumble.

* * *

Well, here were these guys who had gone through hell, and it didn't seem right for nobody to even acknowledge their existence. I had a rolled-up newspaper in my hand; I waved it at a truckload of Marines.

Every boy on that truck waved back . . . So I stood there awhile, waving my newspaper at trucks rolling past loaded with the flower of American youth—those who hadn't been maimed and blown apart on far-off coral beaches.

* * *

The lonely beat-up guys obviously were grateful for recognition from one civilian, anyhow.

I went up to the press room on the third floor of Civic Center and wondered if my paper would publish a story . . . The answer, of course, was no. It was a military secret.

Thousands Will Watch Parade, Massed Flight

At least a thousand kids are scheduled to fly kites from the beach here tomorrow afternoon following a color-splashed parade down Newport Avenue.

The annual Ocean Beach Kite Festival has become one of San Diego's outstanding events, and several thousand spectators are expected to line the parade route and watch the massed flight at the beach.

With Monte Hall riding in the lead car, the parade will start at 2 p.m. from Ocean Beach Elementary School and proceed down Newport from Sunset Cliffs Blvd. The Point Loma High School Band and Lomanettes will march in front of the hundreds of children carrying decorated kites.

Riding in convertibles provided by San Diego Chevrolet dealers will be a number of guests, including the following:

Frank F. Swan, president of O. B. Kiwanis Club; Harry La Dou, president of O. B. Chamber of Commerce; Miss Vesta Petersen, principal, O. B. Elementary School; Councilman Clair Burgener, Leo Calland, director of parks and recreation; Pauline des Granges, recreation superintendent, and others.

The parade will turn north on Abbott St., fronting the ocean. The children then will spread out on the beach and launch their kites in the massed flight.

Guests riding in the parade will fly kites, and many parents are expected to help the younger children.

Children are asked to bring their own string and provide at least 15 feet of tail for a kite. No wire should be used, and no metal should be on kites.

The annual Kite Festival is sponsored by O. B. Kiwanis and the Park and Recreation Department, in cooperation with O. B. Elementary School.

HARBOR DAYS—Pretty Joan Hammett, 1954 Harbor Days queen, and Bill Linthicum, chairman of the Junior Chamber's Harbor Committee, swab down a local tunaboat in early preparation for this year's colorful San Diego Harbor Days, May 27-30.

HARBOR DAYS WILL FEATURE BOATING AND WATER SPORTS

San Diego's Fifth Annual Harbor Days Celebration will be held May 27-30, according to a joint announcement of the Port of San Diego and the S. D. Junior Chamber of Commerce, co-sponsors of the annual marine event.

Plans are being formulated to draw nearly one million visitors to the four-day harbor celebration, according to Robert Sanders, chairman of the Junior Chamber's Harbor Days Committee. Sanders said a variety of spectacular new attractions are being scheduled this year in an effort to focus widespread public attention upon the importance of the harbor to the prosperity of the large marketing area which it serves.

Theme of this year's Harbor Days celebration, Sanders added, is "The Southwest's Gateway to the World". He said many neighboring communities, throughout San Diego and Imperial Counties, will actively participate in Harbor Days, thereby extending public interest in the annual event. Scheduled events include many boating and water sports competitions that will draw participants from the entire Southwest.

One feature of the four-day affair will be a Maritime and Industrial Exposition staged at Broadway Pier, where commercial exhibitors from the United States and a number of foreign countries will display products associated with San Diego's maritime economy.

ASSEMBLY BILL HIT BY DRAKE IN LOCAL TALK

In an address prepared for delivery to the Bayview Republican Women's Club today, Col. Thomas D. Drake, USA, ret., declared that plans to eliminate the State Board of Equalization could lead to a socialistic bureaucracy controlled solely by the Governor. .

The Republican women's meeting was scheduled for the Pt. Loma Assembly Clubhouse on Talbot St. Mrs. William Miller is president.

Drake, deputy to Robert E. McDavid, member of the Board of Equalization, said that Assembly Bill 3000 introduced by Casper Weinberger (R-San Francisco) in the State Legislature, would create a new Department of Revenue and Taxation.

To this new department would be transferred the taxing and auditing functions of the Board of Equalization, the Controller's Office, Franchise Tax Board, and the Department of Finance, Drake said.

"One of the experts employed by the committee working for this new department boldly stated that their plan was to get rid of the Board of Equalization and then follow it up by replacing all county tax assessors with appointees of the new department," he added.

"Were this to come to pass it would mean the end of the people's elected representatives on the Board of Equalization, the State Controller, the State Treasurer and the county tax assessors, giving us a socialistic bureaucracy controlled solely by the Governor."

Sailor Drowns While Diving With Aqua Lung

Hundreds of persons lined Sunset Cliffs Saturday afternoon while lifeguards tried desperately to revive a sailor who had drowned while diving with an aqua lung near the foot of Froude St.

Wilbur D. Heestand, 25, of Ream Field, and three companions used aqua lungs for diving after going about 75 yards offshore in a rubber liferaft.

Heestand was pulled from the water after encountering trouble and broughet ashore by his companions. Artificial respiration was applied until lifeguards and firemen arrived. They spent more than 45 minutes attempting to revive hi mwith resuscitator.

Bandit Obtains $6000 Monday At Zanzibar

An armed bandit held up E. F. Weerts, owner of the Zanzibar drive-in at Midway Dr. and Rosecrans St., at 8:05 a.m. Monday and escaped with almost $6000 in currency in the biggest San Diego robbery staged since 1947.

The gunman was described as being about 35 years old, 6 feet tall and of slender build, with redish hair and a florid complexion. He wore a light jacket and light trousers at the time of the holdup.

With his face masked by a handkerchief, the gunman entered the drive-in office just an hour after Weerts had opened up for the day, police were notified.

The drive-in owner said he was making up an $800 cashbox when the bandit stuck a revolver in his back, ordered him to lie down and take it easy in the back room. "He tied my feet with a short piece of cord," Weerts reported.

Dolores Diaz, counter girl, unaware of the holdup, entered the office and asked Weerts for a $10 IOU as the gunman bent over the safe. As a result she was startled when the robber wheeled from the safe, pointed the gun and ordered her into the back room.

Weerts kept talking about business to calm Miss Diaz, and he also urged the gunman to hurry up and get out of the office. "I was afraid someone else would walk in on the bandit and prompt him to start shooting," the owner explained.

The gunman ignored $1089 in silver and $3078 in checks as he took all the currency from the safe. He was spotted by a bakery truck driver, David H. Shock, as he fled down an alley.

This was the biggest cash robbery in San Diego since October 19, 1947, when three armed men seized $21,000 at Walker's Department Store, 1014 Fifth Avenue.

Weerts said he was fully insured.

Schools Report Studied By Local Group

Dr. Terence B. Geddis, principal of George Dewey Elementary School, announced yesterday that a local study group has been meeting this week to study characteristics of good elementary schools.

"This is a part of a statewide project set up to discover what the people of California want their elementary schools to be like," Dr. Geddis said. "The Cooperative Study of Elementary Education in California, as the project is named, is sponsored by the California Elementary School Administrators' Association."

During the past two and one-half years, hundreds of Californians, professional educators and laymen, have been making surveys, soliciting opinions and studying practice as a background for the first report, the principal said.

"This report has been released for study by local groups such as the one here," Dr. Geddis explained. "In its work the group will react to the statements of 'characteristics; giving their approval, disapproval, or suggested changes and additions."

ANGLERS SPOT LARGE SCHOOLS OF YELLOWTAIL

Big schools of yellowtail at the Coronado Islands, and equally fine showings of yellows and bonito at the Rock Pile, threw the dress rehearsals for the $25,000 San Diego Yellowtail Derby into high gear this week, although the kickoff of the Junior Chamber of Commerce's ninth annual fishing classic is not on the docket until April 2.

First test runs to the Islands disclosed that the yellows were working all through the middle grounds and around North Island and the first regularly scheduled yellowtail trips Saturday revealed the presence of the fish at the Rock Pile.

Last Sunday, the yellows showed even better than before, but getting them to take the bait was still a problem. Veteran fishermen were convinced that a few more days of sunshine would make a world of difference.

Presence of so many big game fish so early in the season was a welcome sight to the derby spnnsors and prospective candidates for honors in the tourney as well.

Rod and reelers continued to hammer away at the concentrations of red cod, chilipeppers, and groupers nine miles west of Point Loma, and excellent hauls were made.

Point Loma and Ocean Beach anglers who fared well on the cod included: O. F. Meyers, E. L. Bryant, W. E. West, M. D. Parker, Bill Percival, H. P. Taylor, John Hunting and Major Harry Halladay.

"Superman" Prefers Danish Country Lass

Have you ever wondered what "Superman" likes to eat? Well, one of the favorite recipes of George Reeves, who plays the Herculean "Superman" on television, is a delicate dessert served at the famous Scandia Restaurant on Sunset Boulevard in Hollywood. The recipe, Danish Country Lass, is as sweet and refreshing as the name suggests. It was developed by Ken Hansen, the manager of the restaurant. Here, Ken and George are discussing the merits of this delightful dessert. It's an exclusive recipe which is appearing in print for the first time. Made with apples, cinnamon and jam, housed in a Corn Flakes mixture, top and bottom, Danish Country Lass makes an elegant dessert.

Danish Country Lass

4 cups Kellogg's Corn Flakes
2 tablespoons brown sugar
4 tablespoons melted butter
1 teaspoon cinnamon
2 cups stewed apples
1/3 cup jam or jelly

Crush Corn Flakes slightly. Combine with brown sugar, 2 tablespoons of the butter and the cinnamon. Spread half this mixture in a buttered 10x6-inch baking dish.

Spread apples over Corn Flakes mixture, cover with a thin layer of jam or jelly. Sprinkle evenly with remaining Corn Flakes mixture and remaining butter.

Bake in moderate oven (350°F.) about 20 minutes. Serve warm with cream, plain or whipped.

"Ole San Antone" . . . Texas is great but the Peninsula Area has gained strong supporters from Mr. and Mrs_ R. F. Morgner and their children, Jay and Ceryle. They are residing on Hyacinth street.

A house does not become a home until a family takes over the reigns. And that is just what Mr. and Mrs. William Kenton and daughters, Cathy and Debra have done on Hyacinth Drive. They came here from Ivy street and find Loma Portal just wonderful.

Yeoman First Class and Mrs. L. R. Gill arived here all the way from Ostend, Belgium. They are most happy to be in the Peninsula Area and enjoying the climate afforded. They reside on Ingelow.

Mr. and Mrs. C. H. Flynn are happy to be in Point Loma. They moved here from 30th St.

Mr. and Mrs. George Schwab are finding the view of the bay and mountains from their Hugo street home a most compelling sight. They enjoy seeing night fall and the mountains disappear and the millions of lights flicker on all over the city. They have two children, Gregory and Diane.

Now residing on Garrison Place are Mr. and Mrs. G. H. Charlebois and children Craig and Claudia.

Who hasn't wished to travel and see the country! We're all more or less budget-minded and that adventure always seems planned for some "future" date. That's why I think you'll be interested in the new GMC Scenicruiser — the most luxurious motor coach ever to be put into passenger service . . . and it's unbelievable! Built on two levels with unusually wide glare-resistant picture windows and large panoramic windshield — every seat literally "has a view." Air cushions to act as springs the bus rides like a feather . . . complete air-conditioning which changes the air every 40 seconds . . . seats upholstered with foam rubber and recline or sit up at a finger touch . . . generous pockets for the little gadgets every woman needs on a long trip are at each place . . . and, even a washroom installed on the lower level! Every possible comfort and convenience you can think of has been put in the Scenicruiser. Vacation funds will literally travel further—and you couldn't be more comfortable!

In a sudden burst of ambition, don't attempt to get rid of near-by poison ivy by burning. Remember the smoke carries the toxic oils and can result in a severe case for poison ivy-sufferers!

Here's a savory egg recipe that will make a hit at any party . . . called Eggs a la Mimosa. Cut eggs in halves, lengthwise. Remove yolks and force through strainer. Fill whites with lobster, crab or ham. Cover with mayonnaise and sprinkle with egg yolk. Eggs should go to a party when dressed in style!

After wallpapering a room save leftover pieces of the paper. Looks mighty cute on an old waste basket and comes in very handy to reline drawers.

AD LIBS

By ADALINE DUDLEY

YOU CAN'T HARDLY FIND THEM NO MORE—Like Alice who fell in a rabbit hole and found Wonderland, Don Robinson also fell in a hole and found a small, three-room office building on the grounds of the Cabrillo National Monument. Impossible? Take a drive out to the Point and watch for a newly painted white building on the right just before you reach the Old Spanish Lighthouse.

On a tour of the grounds about four months ago, Mr. Robinson, who is superintendent of the monument, literally crashed through a wire mesh covering and fell ten feet. When he opened his eyes he saw a solid concrete wall. There were two small windows barred with heavy iron bars and all glass panes intact.

Mr. Robinson yelled and soon the men had pealed off the wire mesh which was heavily covered with dirt, undergrowth and some good-sized bushes. It had formed a perfect camouflage since World War I when the building was used as a radio receiving station. This building, mind you, is within thirty feet of the widely traveled road.

"I've walked over this area dozens of times," said Mr. Robinson. "This time I just happened to hit the weak spot."

A solid iron door barred the only entrance. It has been removed and now leans against the side of the building. Robinson said the three rooms were empty except for some mice and rats. Their lease expired immediately.

A new roof, a tub of paint and some office furniture have solved the problem of the cramped lighthouse quarters for the monument staff. And what a gorgeous view of the bay and city that little office building affords!

Moral: In case of a fall, do not become discouraged. You might come up with something.

THIS IS HARD TO DO—Good friends, good food and good fellowship marked the 82nd birthday last week for Charles Pagesy, 35 years a resident of Ocean Beach. The dinner party was hostessed by Mrs. Jeannette Fitzgerald, 4769 Niagara.

At one time Mr. Pagesy, now retired, was chef at the Del Coronado Hotel. He also delighted gourmets of San Francisco at the Fairmont Hotel. Originally from Switzerland, Mr. Pagesy came to the United States at the age of 20. He's a familiar figure in the Peninsula Area where he spends his time gardening and fishing.

Oh, yes, he still cooks, too—for himself. He's a bachelor.

Dinner will be prepared and served by the committee of husbands and wives who have also prepared unusual decorations. They are: Dr. and Mrs George V. Hall, chairman, and Dr. and Mrs. Everett W. Thatcher, Mr. and Mrs. Kenneth S. Beam, T. Malcolm Brown, David Cherry, E. G. Conklin, Dan O. Henry, George A. Lazar, Jr., Gene McCormick, Charles L. Wilson, and Harlan L. Wilson. Knoche, pastor of the local church. Pastor Knoche and three delegates represented the local church at the session.

H. H. Hicks of Arlington, President of the Southeastern California Conference of Seventh-day Adventists for the past nine years, announced his retirement at the 19th biennel business meeting of the Conference held at La Sierra College.

The 500 delegates representing Adventist churches in Riverside, San Bernardino, Imperial, Orange, and San Diego Counties reelected all other officials of the Conference for another two years at the business session.

In his report to the 500 delegates representing Adventist churches in five counties, Hicks revealed a 12 per cent increase in membership during the past two years. Total membership in the Southeastern California Conference now stands at 13,304, according to Hicks.

Welfare aid to needy families contributed by 67 welfare units operated by the churches in Riverside, San Diego, Imperial, Orange, and San Bernardino Counties totaled $1,554,986 (one million) in the past two years, according to D. E. Dirksen, Conference Welfare director. The aid consisted of cash, food, clothing, and medical assistance which went to 150,703 people.

C. I. Chrisman, education superintendent for the Southeastern California Conference, reported an enrollment of more than 4,000 students in 30 schools operated by the denomination locally. He also reported that Adventists spent nearly $1,000,000 (one million) on education in the five counties of the local Conference. The Conference buitl two complete new schools, one at Perris and one at Indio, and added to seven existing schools in the past two years. This is in addition to building programs carried out at La Sierra College and the College of Medical Evangelists.

Civic Theatre To Be Discusson Topic

"What a Civic Theatre Can Mean to Community Development" will be the subject of an address by world famous architect Frank Lloyd Wright when he comes to San Diego on Friday, March 25, for a public lecture at 8:30 in the evening at the House of Hospitality in Balboa Park.

The "elder statesman" of architecture is being presented by the Mills College Alumnae of San Diego, with the assistance of the alumnae of Scripps, Smith, Stephens, Vassar, and Wellesley Colleges.

The sponsoring women's college groups hope that Mr. Wright's talk supporting a civic theatre will help to stimulate interest in such a building.

Mrs. Sim Bruce Richards is general chairman of the project. Her board includes co-chairman, Mrs. Robert Town; San Diego Mills Alumnae president, Mrs. David E. Porter; corresponding secretary, Mrs. Ann Cole Garber; tickets, Mrs. F. G. Soule, Jr., and Mrs. Chester A. Dorman; printing, Mrs. Albert Walkoe, Jr.; publicity, Mrs. Robert L. Shapiro.

Representing the five other participating alumnae organizations are Mrs. C. Wesley Hall, Vassar; Mrs. Thorpe Edmonds, Smith; Mrs. Meyer Wiener, Wellesley; Mrs. Milton Cheverton, Scripps; and Mrs. Charles Somers, Stephens.

A group of patrons has been formed in support of the project. This group includes Mrs. William Paxton Cary, Mrs. James A. Irwin, Mrs. La Motte Cohu, Mrs. I. Norman Lawson, Mrs. Lawrence Klauber, and Mrs. Frank Marcy, Mrs. Madeline Nichols Sharp.

Tickets for the lecture will be made available in all areas of the city as well as through chairmen, Mrs. F. G. Soule, Jr., and Mrs. Chester A. Dorman. Mills Alumnae may contact Mrs. George Divine for tickets. In La Jolla, Olney's Book Store on Prospect will handle tickets. In other areas the people to contact are: Mrs. C. Wesley Hall, Mission Hills; Mrs. Charles A. Somers, La Mesa, El Cajon and Lemon Grove; Mrs. Thorpe L. Edmonds and Mrs. Milton Cheverton, Point Loma; Mrs. Ann Cole Garber, Chula Vista and National City; Mrs. Meyer Wiener, Coronado. Tickets may also be purchase dat the Palmer Box Office at the Thearle Music Co.

Also in strong support of the project is the Mills Mothers Club of San Diego. Their president is Mrs. Thomas Shuttleworth. Mrs. E. H. Ziebold is secretary fo rthe Club and Mrs. Edward C. Hall is treasurer. A meeting to coordinate plans for the event was held recently in Mrs. Hall's Point Loma home where tea shared discussion honors with civic theatre and Frank Lloyd Wright conversation.

SPAGHETTI DINNER

A spaghetti dinner will be held by the St. Charles' Mothers' Club on Sunday in the SES Hall, 2818 Addison Street. The hours will be from 3 p.m. to 7 p.m. Mrs. Betty Keptner, president, appointed Mrs. Eugene DeFalco chairman with Mmes. Joe Penacho, Louis Capello, William Evans and A. Santilippo as assistants.

Officers Named To Woshuka Group

New officers of the Dana Chick, who are the Woshuka Camp Fire Girls under the leadership of Mmes. Keller, Long and Lyon, are: Linda Smith, president; Jackie Hampton, treasurer and Lorraine Lyon, Secretary.

A full schedule is planned for this group and several are working on a radio skit for the Heaven on Earth program. This skit will dramatize the Camp Fire Birthday. .

This Saturday a round of parties is planned. Recently the group visited the San Diego Zoo to learn the problems involved in the care and feeding of theanimals. The group also attended the invitation of new members into the La Jolla Horizon Club. The Birthday Fair is set for Balboa Park on Sunday.

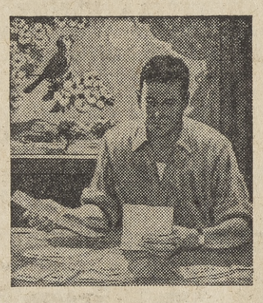
SPRING IS HERE ...ALMOST!



It's time for thoughts of pleasant week-end trips and summer vacation, but before that (and there's no escape) most of us have to think about *taxes!* If you've saved for your tax payments, fine—if not, or if you'd rather your savings stayed in the bank, come in and see us about a *Timeplan* personal loan. *Timeplan* is the business-like way to borrow. It doesn't cost much, and you've months to repay.

IF YOU WERE A MILLIONAIRE...

... chances are you'd already know a lot about our bank's statewide trust services. But did you realize that our Trust Department actually helps thousands of Californians with modest means—including many from our community—to plan their estates and manage and conserve their property. An interview with one of our Trust Officers doesn't cost anything, and may save you a great deal in terms of money and convenience.

? BofA *Quiz Corner* ?

DID YOU KNOW THAT you can make a payment on a B of A *Timeplan* loan at any one of Bank of America's 550 branches in California—regardless of where you have your account? This is just one more of the many advantages of doing business with Bank of America.

Yardstick For Delinquency Prevention Given

A means of measuring how much individual communities are doing to prevent and correct Juvenile Delinquency is provided in the article on, "Children in Trouble", in the March issue of the Ladies' Home Journal. A panel of experts from many fields: schools, churches, Juvenile Court, social agencies and women's clubs in their discussion of the causes of delinquency and its means of prevention explode the myth of a simple solution.

"I have found no single article which so clearly explains the myriad problems which lead a child into delinquency, and which offers concrete suggestions of what the community can do to effectively combat these problems", says Charles T. G. Rogers, Chief Probation Officer of San Diego County. The plight of the abused, neglected and abandoned child is also discussed and the experts point out that this type of child may become delinquent unless he receives understanding help and is kept separate from delinquent children, Rogers said.

According to Rogers, no one should attempt to discuss causes or cures for delinquency without reading the article, which, he said, "explodes the theory of a single simple solution to delinquency and dependency".

The article offers a ten-point program for the prevention of delinquency. Rogers, in comparing services available in San Diego County to the yardstick, stated that we rank far above many areas in the United States. San Diego is in need of expanded mental hygiene services, school guidances facilities, and badly needs more foster homes, Rogers said. The local Probation Office needs additional staff, if it is to provide efficient supervision of children on Probation, the Probation Chief said.

The greatest immediate need in the community, according to Rogers, is an adequate shelter home for the temporary care of children who have been removed from unsuitable homes and are awaiting placement. At the present time the County is exploring the means of establishing such a home, he said.

Bank Of America's Achievement Event Is Now Underway

In virtually every high school in Southern California, committees of teachers will be putting their heads together this week to pick the 1,500 senior students for recognition under Bank of America's 1955 Achievement Awards program.

The top will get cash awards, ranging from $100 to $1,000 each; 525 students will receive gold cups; and 1,500 will get certificates of achievement. There are 222 high schools—public, private, and parochial—participating in the southland.

Of the $35,600 in cash awards to be distributed in the statewide program, Southern California's winning students' share will total $17,600.

Students will first win certificates and cups on individual school level. Selected school candidates will then compete with candidates of other schools at the zone level. All zone winners will receive cash awards. Next May, in the finals, zone winners will compete among themselves in oral interviews to determine the amount of their cash awards. Judges on both zone and final levels will be civic leaders.

Awards will be made in four general fields of study: vocational arts, fine arts, liberal arts, and science and mathematics. The object of the program is to "bring recognition and reward to outstanding students who show the greatest promise of future success and service to society."

HEALTH FOR ALL

NO SHAWL FOR GRANDMA

A little old lady in a shawl and lace cap sitting with her hands folded in her lap—that's the way Grandmo's picture has been painted for generations.. It's high time for the grandmother's of the world to stand up and fight this unfair picture. In doing so, they will be fighting for their lives.

Doctors say that "babying" elderly people until they feel useless only hurries them to the grave. It is just as foolish to overprotect our aged parents as to overindulge our children. Overprotection can turn a happy, useful person into a cranky dependent, dragging miserably through the last years of life. Grandma would rather get a big dinner for the family than be taken out to the finest restaurant. Whistler's Mother would have looked happier rolling out a pie.

The trend a few decades ago was to put people over 60 on the shelf. Fortunately many refused to stay there. Now doctors tell us how important useful work is in keeping them healthy and contented. Even those with heart trouble often do much better if they have light work. Sitting around worrying and complaining is more strain on the heart muscle.

Industries that used to have arbitrary retirement ages are beginning to take a new look at their policies. Retirement at 60 may hinder rather than help a person to begin to live in quiet contentment. It may make him feel unwanter and inferior. Gradual slowing down of activity, switching to lighter or less time-consuming work, and preparation for new interests that can be followed when full retirement comes—this is industry's progressive plan.

Sons and daughters may well go along with the findings of both industry and the medical profession. The whole family, as well as its older members will benefit. Grandma may have to struggle against well-meant efforts to wrap her in a shawl, but the results in better health and real contentment will be worth it.
